"Do we have a ranking system that ranks each player to prevent this from occurring? We do have a system where each player is ranked based on the past 6 season on a new team and that team is

Additional comments regarding the Savannah Open

1) Todd Brazell mentioned that many of the guest were expecting to have a pool available, but it was closed. In the future we may need to make that a priority.

Old Business:

Teresa Bonifacio mentioned that at the Savannah Open \$450.00 was raised for the 50/50 raffle. The Player who won donated his half to the Jr Darter who will be traveling to Europe. There was also a anonymous donation made for \$500.00, so we were able to raise approximately \$950.00 in approximately 1 hour.

New Business: We will be playing with the new matrix at the City Play offs. We will then vote if we want to continue with the new matrix.

Mike Tabox said the VFW would like to host a LOD the weekend before the Play offs. He is looking to have 10 to 12 Boards to encourage the younger darters to be able to see how the tournament is run, to teach them etiquette, and give them come experience on throwing with the standards. SADA will get any profits after pay outs, the Bar will make money from the concessions. Mike Tarbox and Herman will get together to sort out the details and let us know next month.

Next month's Board meeting will be on July 11 instead of the 4<sup>th</sup> of July. We will be throwing on July 3. Any games that are not thrown on July 4 will have to sorted out and reschedule before match play on July 10<sup>th</sup>. Please keep Gunny informed if you move a match to another day. Sponsors getting dart Boards from the Savannah Open for sponsorship are to contact Kevin Arnold for pick up.
