Bad Boys took the championship one more time under the name. They placed first in A division again this season, so that gave them an automatic bye in the first round. In the second round Bad Boys went up against first place D division Screamin Seamen and it was an easy win. In the semi-final round Bad Boys went up against first place C division Redarted and it was another easy challenge for Bad Boys. In the finals Bad Boys went up against second place A division T-Dawgs. It was a tight race up until the end when Ken Friend Jr. took out the winning shot. The late and great Russell Collins was watching the whole time right next to each team member and the team unanimously named Russell Collins as the Most Valuable Player.
